

CHÂTEAU CANTEMERLE

2003

An historic vintage, a year of great heat where the extremely overripe grapes were harvested as early as September 10th. The wine is Cabernet-predominant, contributing freshness and aromas of spices, coffee and game. The bouquet is very expressive and the finish does the wine proud with a length that is unexpected for this vintage. No need for further aging: guaranteed pleasure and richness is on offer here.
