

# CHÂTEAU CANTEMERLE

## 2010

This is another very young wine which benefits from decanting. Its aromas are marked by pencil lead, black fruit and cigars. The round first impressions in the mouth are due to the subtlety of the Cabernets which express themselves with finesse and complexity, displaying spice bread flavors. This is a vintage of great sunshine which produced mature and powerful tannins marked by freshness. There's no need to rush this wine, it will still be great in ten years. It can only get better with age, but it already shows great class!
